The Institution of Electronics and Telecommunication Engineers (IETE) is a leading professional society established in 1953. The institution serves its more than 1,00,000 members both individual and industries/ organizations through 53 centers all over India and abroad. The aim of this society is to promote the Science and Technology of Electronics and Telecommunications, Computer Science and Information Technology, conducting and sponsoring technical meetings, conferences, symposia, exhibitions and related activities.

The Institution of Electronics and Telecommunication Engineers, Kolkata Centre, will be hosting Zonal Seminar / Students' Convention on the theme: **IoT and Sustainable Society (IoTSS 2025)**. Following events are planned.
1. Students Article Contest   2. Keynote Address   3. Quiz - along with other programs.

Original conceptual papers on the subjects or allied subjects for presentation in the seminar are requested. Contributors are requested to submit papers in single column format, single space, font style, Times New Roman, font size 12 in A4 format with the soft copy made in MS-Word format or PDF format. The full paper must be within five pages. The last date for submission of the paper is 27th July, 2025.Email address for sending articles to IETE EASTERN ZONAL SEMINAR 2025 is ieteeasternzonalseminar2025@gmail.com

Three best student paper certificates will be awarded based on judgement by the Session evaluators. All author(s) in the paper must be student(s). A few very good papers, if recommended by the session judges will be recommended to extend for considering possible publication into some publisher's approved book as the chapters based on the theme.

Also a few very good papers, if recommended by the session chairs will be recommended to extend for considering possible publication in SCOPUS Indexed Journals based on the theme of the Special Issues. (No APC is required).
